Shipping Instructions:

1. Neatly fold and place heart scarf with completed personalized message card into your box and secure with tape.
2. If an old box is used, remove or cross out old labels or markings on the box.
3. Place the UPS shipping label above on the top of the box. Make sure your complete return address is included on the shipping label.
4. To avoid confusion, affix the above WomenHeart HeartScarves® Donation Shipment label directly underneath the UPS Shipping label. Make sure the edges of the label are fully secured with tape to avoid tear from weather, delivery, etc.
5. Do not place any labels over the seam or closure, or on top of the sealing tape.
6. Drop your package at your local carrier for delivery to the WomenHeart Distribution Center. From there, your donated scarf will be shipped to a female heart patient.
