

Community Resources for Heart Health

New York City

Click the underlined words to access each resource.

Transportation

- o [The Medicaid Transportation program](#)
 - Non-emergency transportation, such as pre-scheduled trips to primary care and the dentist
 - Available for Medicaid members at no cost.
- o [Project CART](#)
 - Free medical transportation
 - For seniors age 60 and over living in Manhattan Community Districts #1 through #8.

Community Health Centers

- o [Community Healthcare Network](#)
 - Primary care medical services
 - All patients are welcome and treated, no matter immigration status or ability to pay
- o [Affordable Health Care Options: Community Health Centers](#)
 - Comprehensive list of Community Health Centers in NYC, listed by borough.
- o [Weill Cornell Community Clinic \(WCCC\)](#)
 - The WCCC is a student-run clinic serving the uninsured population of New York City.

IMPORTANT NOTE : Federally Qualified Health Centers, like these ones, are committed to providing care to everyone - regardless of their ability to pay, insurance status, or immigration status. Your information is safe and confidential.

Educational Resources

- o [Virtual Red Bags of Courage](#)
- o [NYC Work Well – Heart Health](#)

Emotional Support

- o [HeartSisters Online Virtual Support Group](#)
- o [Inspire Online Community](#)

Insurance

- o [NYC Care](#)
 - Health care program that gives patients access to their own doctor and services at little or no cost.
 - Provides services at NYC Health + Hospitals locations citywide
 - Available to all New Yorkers who do not qualify for or cannot afford health insurance
- o [New York Insurance Navigator](#)
 - Free Navigators that provide culturally competent, linguistically appropriate, and disability accessible insurance enrollment services to New Yorkers.
